

## GUEST SPEAKER CATALOG!

All involved in Catholic Education are compelled to take part in **teaching**, **providing service**, and **forming a community** that nurtures our children under Christ's direction... Are you taking part?? HERE IS YOUR CHANCE TO GET STARTED!!

We are compiling a **Catalog of Guest Speakers** for our teachers to shop from!! If you have an area of expertise or a hobby that the teachers could tie into a unit they are teaching, we would like to **include you** in our catalog! Whether you are a plumber, an artist, a gardener, a birdwatcher, a nurse or a banker.. . or anything in between- **imagine** how your real world experience could make science, math, history, or English come alive to a kid! Take a few minutes to complete this form, and we will let the teachers know **they can contact you** to setup a date and time to share your passion with their students! Just 30 minutes of your time could spark a lifetime of learning!
