

CATHEDRAL OF THE RISEN CHRIST SOCIAL MEDIA MISSION STATEMENT

The purpose of social media at CRC is to tell the stories of our Cathedral Eagle Family in a dynamic way that is easily accessible to all members. Through social media we can celebrate, connect, pray and converse in a manner that not only reveals our stories but connects all of us as Eagles. Therefore, social media both showcases and enhances our Cathedral school culture.

GUIDELINES

- Cathedral of the Risen Christ will only use social media platforms that are approved and deemed appropriate by the Catholic Diocese of Lincoln Education Office.

- Posts must be made by members approved by the Principal.
